

**Colorado Springs Utilities and the
Governor's Office of Energy Management and Conservation
Present a Free Workshop**

Learn in Comfort:

Building Automation for Schools and Universities

**January 25, 2005
7:15 am to 1:30 pm**

Colorado Springs Utilities
Leon Young Service Center
Pikes Peak Room, 2nd Floor
1521 South Hancock Expressway
Colorado Springs, CO 80903

From I-25: Take Exit 139 (Airport/Limon/Hwy 24 Exit). Take Union exit. Go south, then take the first right onto Hancock. Road winds back under overpass, go through traffic light, make 2nd right into Service Center.

Operate your facilities more efficiently...

Learn from technology experts about the latest and future trends in building automation systems and controls strategies for HVAC and lighting systems. Learn how to operate your facilities more efficiently while improving indoor comfort and reducing utility costs.

Who should attend?

Facilities and construction staff from schools and universities in the Pikes Peak region, as well as the design and engineering professionals who serve them.

Register now!

Register online at www.colorado.gov/rebuildco or call 719-668-8080. Registration is free, but space is limited.

Cost:

The workshop is free. A complimentary continental breakfast and lunch will be provided.
